Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

GULLIVER'S TRAVELS

[DOWNLOAD](#)

Editorial Maxtor, 2015. soft. Book Condition: New. "My father had a small estate in Nottinghamshire: I was the third of five sons. He sent me to Emanuel College in Cambridge at fourteen years old, where I resided three years, and applied myself close to my studies; but the charge of maintaining me. . . " *Travels into Several Remote Nations of the World. In Four Parts. By Lemuel Gulliver, First a Surgeon, and then a Captain of Several Ships*, commonly known as *Gulliver's Travels* (1726, amended 1735), is a prose satire by Anglo-Irish writer and clergyman Jonathan Swift, that is both a satire on human nature and a parody of the "travellers' tales" literary subgenre. It is Swift's best known full-length work, and a classic of English literature. The book became popular as soon as it was published. The book begins with a short preamble in which Lemuel Gulliver, in the style of books of the time, gives a brief outline of his life and history before his voyages. He enjoys travelling, although it is that love of travel that is his downfall. *Gulliver's Travels* has been the recipient of several designations: from Menippean satire to a children's story, from proto-Science Fiction to a forerunner of the modern novel.
