Pearson, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The text's strength lies in providing a good foundation of knowledge in administering, scoring and applying literacy assessment to instruction. It is comprehensive enough that students are able to engage in multiple assessments without being overwhelmed." - Judith Dunkerly, University of Nevada Las Vegas "I think the completeness of the text is what makes it a rich and excellent resource. I am very impressed with the Special Ed and 504 sections of the book and the extent to which the needs of these important populations are addressed." - Laurie Goodman , California State University, Fresno " The Comprehensive Reading Inventory would be very useful for instructors involved in planning and implementing tier 2 and 3 reading interventions. It gives you a great deal of background information on each individual student. This assessment is very comprehensive and would also be beneficial to afterschool tutors and/or private tutoring companies." - Melissa Knapp, Robert E. Lillard Elementary Design Center, Nashville, TN.
