LIVES LIVED LIVES IMAGINED: BIOGRAPHIES OF AWAKENING

Wisdom Publications,U.S., United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. From the Buddha in ancient India to a nun in modern-day Los Angeles, *Lives Lived, Lives Imagined* crosses time, traditions, and cultures to present fascinating depictions of lives lived on the Buddhist path. Buddhist biographies come to life in many forms; they come from known poets and anonymous compilers; they are told by bards and even enacted by performers; they may also be autobiographies, either public or secret. Equally diverse have been the purposes they have served - as models for emulation, as origin stories for a particular community or lineage, or as narrative explications of doctrine. This book, a collection of papers presented at a conference at the University of Oxford, presents a multifaceted, multitrade portrait of Buddhist biographies. Part 1 deals with biographies of the Buddha, investigating Chinese and Pali sources and the Sanskrit dramatizations of Asvaghosa. Part 2 contains modern Buddhist life stories, including a rare autobiography from Burma. Part 3 explores the Tibetan tradition, including such well-known figures as Milarepa, Shaky Chogden, and Karmapa Mikyo Dorje. Together, these biographies and studies reveal the rich diversity of Buddhism s myriad incarnations over its long history and the dynamic scope of its thought and practice.
