Brand New Book ***** Print on Demand *****.Living on the farm, our family knew the frailty of life. One poisoned pond could destroy innocent animals; one storm could destroy crops and one flame, a forest. The biggest battle was that of saving the farm from inheritance taxes. If it is excitement, they will catch it. Whether stringing tobacco or farming, cleaning quail or cooking a Southern Smorgasbord, Momma is happiest when she gives. In return, her radiance brings admiration to her Maker....
