Brand New Book ***** Print on Demand *****.Excerpt from How and What to Dance Not until I had completed this volume did I realise how important an appendage was the preface. To the reader: To the man in the street who looks aghast at the modern ballroom and its vagaries, I dedicate this work. Although dancing cannot be learnt from books, any more than an instrument can be mastered after a series of lectures, if this little volume proves of some guidance to those who are learning, it will have served its full purpose.
