

The Way Beyond the Shaman: Birthing a New Earth Consciousness

By Barry Cottrell

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Way Beyond the Shaman: Birthing a New Earth Consciousness, Barry Cottrell, The shaman has become a potent symbol of our mystic participation with Earth's spirit. But can shamanism help us regain this primal awareness? "The Way Beyond The Shaman" answers this question by taking the reader on an epic journey back to the origins of shamanism deep within the last ice age. After penetrating to the very roots of shamanism, the book offers a powerful vision of human consciousness evolving into the future, transformed by life-giving spirit of shamanism. A profound transformation of human consciousness is seen to be taking place today, a realignment of mind and body, so that Earth's spirit may once again be perceived and directly, not only by seers and shamans, but by all. The elegant simplicity of the book's radical central thesis is that you don't have to conduct elaborate rituals or engage in strenuous inner journeys to contact or perceive Earth's spirit. It is right there, in the deep celebratory awareness of the dignity and power of our own physical bodies as aspects and expressions of Earth. Awakening to the spirit of shamanism is an...
