

The Concealers (Hardback)

Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Downstream Pub., United States, 2013. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. Katherine Kelly s mentor says she has the makings of a good reporter, but to be great, she must learn to find the emotional core of a story and not hold back in its telling. Then he suggests one last grad school assignment: find someone who has influenced her family and tell that story. Katherine decides to pursue the only family story that has eluded her all her life: the identity of the father she never knew. Her mother, knowing her persistent daughter won t stop until she gets the truth, breaks her years of silence and makes the call she always swore she would never make. The reality of her father stands in stark contrast to the father of her dreams, and Katherine realizes she must decide for herself who her father really is: the guardian of a group of wounded souls he calls The Collectibles, the attentive father of a newly discovered daughter, the person of interest in a bank fraud investigation . . . or a little of all three. Blood is deeper than principle, or so she is told. And a great journalist follows a story wherever it leads. It s Katherine s call, and only she can make it. *** As a novelist, James J. Kaufman, a former attorney and judge, draws heavily upon his experiences in law, his dealings in the business world, and his interactions with people from widely different backgrounds. He and his wife make their home in Wilmington, North Carolina. The Collectibles, Book One in the CollectiblesTrilogy, my first foray into the world of fiction, is a story of two men from different worlds. Preston Wilson, an elitist automobile dealer from New...
