Brand New Book ***** Print on Demand *****.This is a book of clues. clues to the awe and immensity of God that will lead children to think about, rather than learn about, God. Instead of teaching in the traditional sense, it provides clues for a shared journey toward discovering the Divine Mystery at the core of the universe. This book approaches the mission from a different perspective - one that identifies and reaffirms the spiritual experiences young people are already having. Each chapter suggest numerous ideas for use in classes, as well as a Time to Reflect section for adults to recall and meditate on their own spiritual life as children.
