Reviews

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
(Justus Hettinger)

POSTAL SERVICE: SCREENING APPLICANTS FOR EMPLOYMENT: GGD-88-93

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. In response to a congressional request, GAO reviewed the Postal Services (USPS) policies and procedures for screening and evaluating applicants for employment to determine whether: (1) noncompliance with screening requirements was widespread; and (2) USPS took adequate steps to address any deficiencies. GAO and the Postal Inspection Service reviewed 15 post offices and found that: (1) none of the post offices complied completely with the USPS preemployment screening requirements; (2) USPS hired about 63 percent of the 1,289 postal employees sampled without information from prior employers, while police checks were missing for 58 percent of the employees; (3) postal officials cited a lack of cooperation from previous employers and law enforcement agencies, staff shortages, and inadequate time as reasons for noncompliance; and (4) the post offices lacked internal control procedures to ensure that hiring officials complied with screening requirements. GAO also found that USPS recently expanded the screening guidance in its personnel operations handbook to emphasize the importance of preemployment screening in training its hiring staff. This item ships from La Vergne, TN. Paperback.
