Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

AMONG THE MULTIHULLS: VOLUME ONE

Bookspeccs Publishing, United States, 2010. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Here is Part 1 of the Historic Nautical Life-Journey Of Multihull Pioneer Jim Brown Thrill to this genuine 20th century saga, complete with incredible stories and historical insights from a masterful multihull storyteller . A young schooner bum, thrilled by the ways of a windjammer, resolves to acquire his own boat and follow the sea in search of pals and gals and utopian freedom. It is the mid 1950s, he is in his early twenties, and while building his own boat he rather suddenly finds himself to be a family man. Undeterred, he and his bride, now five and a half months pregnant, sail out through the Golden Gate in an experimental contraption and turn left for Mexico. They don t know it at the time, and they wouldn t have cared, but their tiny boat is the first three-hulled watercraft to go to sea in modern times. Soon the author becomes an unintended instant expert in what would become, fifty years later, an absolute sea change in marine architecture. This work in two volumes tells of those fifty years, of the people, the boats, the foibles and the fables, the history and lore that - despite a sometimes fierce resistance from the Corinthian community - comprise the origins of today s modern catamarans, trimarans and proas. Told as the memoir of a septuagenarian sea dog whose failing eyesight causes him to see his memories, Jim Brown recounts the multihull milestones of the 1950s to the 70s (Volume One) and the 1970s into the new millennium (Volume Two). He highlights the pivotal multihull pioneers, and relates the controversial advent and eventual ascendance of multihulls today, with their...
