Earth and Below

By Susana H. Case

Anaphora Literary Press. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Listed as one of the BEST HOLIDAY BUYS FOR POETRY 2013 in the November issue of Washington Independent Review of Books. Earth and Below is an illustrated story based upon a history of copper mining, along with discursive riffs on the nature of the element. It is, in a sense, everything one ever wanted to know about copper. The subject matter is organized by Struggles, Theories, and Materials. Struggles most directly addresses the labor issues involved in the history of attempts to organize copper workers and their working conditions, but includes other themes of struggle as well. Theories contains work that explores how differing outlooks, most commonly class-based, but not exclusively so, impacted upon the lives of copper workers. Lastly, Materials looks at copper and copper mines as objects in a larger world. This is a harrowing, intense book. It carries on the great work and vision of Muriel Rukeyser's Book of the Dead on a global scale. Poet and sociologist Susana H. Case has written a deeply moving elegy of loss and a sustained indictment of the copper mining industry from Chile to Calumet, Rhodesia to...
