When My Parents Forgot to be Friends

By Jennifer Moore-Malinos, Marta Fabrega

Barron s Educational Series Inc.,U.S., United States, 2007. Paperback. Book Condition: New. 234 x 234 mm. Language: English . Brand New Book. Young children become confused and hurt when their parents constantly argue, then decide to divorce. This sensitively written book assures boys and girls that children are in no way responsible for their parents inability to get along together. It lets kids know that although one parent chooses to move away from the home, both parents continue to love their little boy or girl. Both Mom and Dad will continue to spend happy times with them. Even very young children have concerns and anxieties, and Tell Somebody Books are written and illustrated especially for them. Parents are advised to read these books aloud while their preschooler listens and looks at illustrations of the boys and girls in each story. Many children in early grades will be able to read the stories for themselves. Tell Somebody Books encourage children to explore their feelings, and then to speak openly about things that trouble them.

Reviews

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- **Curtis Bartell**

The book is straightforward in study better to comprehend. It is really simplistic but unexpected situations in the fifty percent of the ebook. Its been written in an exceptionally simple way which is simply after i finished reading through this ebook in which basically altered me, affect the way i really believe.
