Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Direct and Indirect Costs of the Great World War* A few years ago pamphleteers and men in public life were declaring that there could not be another great war because of the tremendous costs that would be involved. Saner students of history pointed out that cost was relative and that no nation had ever been prevented from going into war from fear of the expense. The judgment of the latter has been vindicated by recent history. The war that has just come to an end shows that anticipated costs, however great, are not a preventive. A recital of the tremendous costs of the great war can not therefore be regarded as worth while if the purpose of the recital is to warn against further wars. Nevertheless, it is well that the world should know as fully as possible the monetary and other costs of its bloody debauch. The recital will serve as a cautionary signal, if not as a preventive, for the future. For this reason it seemed well to the officers of the Endowment that an attempt should be made to gather together in one volume at least the more obvious costs of the great war. Professor E. L. Bogart was entrusted with the task. His first study, in accordance with the wishes of the Endowment was a short presentation. The demand for his work was so great that a new edition was called for and Professor Bogart took the opportunity to go into the matter more exhaustively. The present presentation is therefore virtually a new work much enlarged and improved not only in a physical but in a scholarly sense. Professor Bogart s...
