Alright it s official.Tim O Rourke is a genius, incapable of writing a bad book! Vampire Shift was good, Vampire Wake was better, but Vampire Hunt takes the cake for being the most nerve wracking, nail biting OMG, that did not just happen, of them all. The things that happened in this book. I just can t believe it! The Rest Is Still Unwritten Book Reviews Tim O Rourke is like a kid in a candy store with his storyline and characters in Vampire Hunt. What a rollercoaster ride of emotions and action. This is probably his best book in the series, the pages were turning and I couldn t stop reading. It s almost hard to take a break from reading this book as the momentum is awesome. Novels on The Run Book Reviews I don t know how it is possible to write a series and have each new book always be better than the last, but that is exactly what O Rourke is doing with his Kiera Hudson novels. A book Vacation Book Reviews The suspense will have you on the edge of your seat, Tim s writing style will not only suck you in the world in which he has so cleverly created but have you mesmerized within the storyline.
