Paperback. Book Condition: New. Mohammad Zakir Hossain (illustrator). Paperback. The poems and short stories in Random Chemicals and Snotty Love Poems capture youthful expressions of wonder at the world, the hunt for self-truth, and finding a place in it while experiencing the strong emotions of a maturing, young adult. The search for identity, the longings to fall in love, striving hard for accomplishments, and all the other explorations of the young adult horizons are maybe some things today's youth can relate to and older adults can be charmed in remembering fondly of. As the stars in the sky seem an impenetrable constant, this is not the case with stars in outer space similar to the life of human beings. All the water droplets in the ocean could not sum up the entire breath of human existence. The familiar and unfamiliar are vast terrains to be ventured into and rediscovered on the journey of the heart. Life's ups and downs are expressed in seeking refuge behind fairy tales, by the desire to disappear, by capturing phases of moon, by the depiction of unseen worlds, and so on in this varied poetic and prose collection. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
