## THIN CALCIUM PHOSPHATE COATINGS FOR MEDICAL IMPLANTS

Springer-Verlag Gmbh Jan 2009, 2009. Buch. Book Condition: Neu. 256x162x20 mm. Neuware - Thin calcium phosphate coatings of about 10  $\mu\text{m}$  or less can improve the bone response in orthopedic and dental implants by overcoming the drawbacks of commercially successful, thick plasma-sprayed hydroxyapatite (HA) coatings. These alternative coatings have shown better adhesion to a variety of substrates and, because of their uniformity in structure and composition, greater stability in the biological environment. Thin Calcium Phosphate Coatings for Medical Implants presents...

### Reviews

*Completely among the finest ebook I actually have possibly go through. It is really basic but excitement from the 50 percent in the book. I am quickly could possibly get a pleasure of looking at a published ebook.*

-- **Javon Okuneva I**

*Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.*

-- **Dr. Rashawn Lang**

*This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).*
