The benefit of them is, they secure attention, reveal to the teacher how much of the lesson is in the mind, deepen its impression, strengthen memory's hold, and give the teacher a good foundation on which to build religious truth. They also give variety in teaching, and make the scholars feel the necessity of studying the lesson well before coming to the school. CHAPTER V. MENTAL PHILOSOPHY--CONTINUED - The Sensibilities. I. Definition. The term sensibility means the ability to feel; and is used with references to the five senses. The plural term, Sensibilities, is used to designate the states of mind, sometimes called feelings. We are conscious of emotions, desires, etc., that arise within the mind, which are caused by the exercise of our intellectual faculties. The perception of an object,...
