Reviews

This written publication is fantastic. This can be for anyone who statte that there had not been a well worth reading through. I realized this pdf from my i and dad recommended this publication to discover.

(Maye Schoen)

MANY TENDER TIES WOMEN IN FUR-TRADE SOCIETY, 1670-1870

University of Oklahoma Press. Paperback. Book Condition: New. Paperback. 314 pages. Dimensions: 8.8in. x 5.9in. x 1.0in.Beginning with the founding of the Hudsons Bay Company in 1670, the fur trade dominated the development of the Canadian west. Although detailed accounts of the fur-trade era have appeared, until recently the rich social history has been ignored. In this book, the fur trade is examined not simply as an economic activity but as a social and cultural complex that was to survive for nearly two centuries. The author traces the development of a mutual dependency between Indian and European traders at the economic level that evolved into a significant cultural exchange as well. Marriages of fur traders to Indian women created bonds that helped advance trade relations. As a result of these many tender ties, there emerged a unique society derived from both Indian and European culture. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
