Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

BREAKING THE SOUND BARRIER

Haymarket Books. Paperback. Book Condition: new. BRAND NEW, Breaking the Sound Barrier, Amy Goodman, "Amy Goodman has taken investigative journalism to new heights of exciting, informative, and probing analysis."--Noam Chomsky "You can learn more of the truth about Washington and the world from one week of Amy Goodman's Democracy Now! than from a month of Sunday morning talk shows. Make that a year of Sunday talk shows. That's because Amy, as you will discover on every page of this book, knows the critical question for journalists is how close they are to the truth, not how close they are to power."--From the Preface by Bill Moyers Amy Goodman, award-winning host of the daily internationally broadcast radio and television program Democracy Now!, breaks through the corporate media's lies, sound bites, and silence in this wide-ranging new collection of articles. In place of the usual suspects--the "experts" who, in Goodman's words, "know so little about so much, explain the world to us, and get it so wrong"--this accessible, lively collection allows the voices the corporate media exclude and ignore to be heard loud and clear. From community organizers in New Orleans, to the courageous American soldiers who've said "No" to Washington's wars, to the victims of torture and police violence, we are given the extraordinary opportunity to hear ordinary people standing up and speaking out. Written with all of the fierce intelligence and passion for truth that millions have come to expect from Amy Goodman's reportage, Breaking the Sound Barrier proves the power that independent journalism can play in the struggle for a better world, one in which ordinary citizens are the true experts of their own lives and communities. Amy Goodman is an award-winning investigative journalist and syndicated columnist, author and the host/executive producer of Democracy Now! airing on nearly 800...
