Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Indo-Aryan Thought and Culture, and Their Bearing, on Present Day Problems in India, an Argument From the Standpoint of a Native of That Country The aim of this study is not so much to bring to light new data as to interpret some commonplace facts from the history of Indo-Aryan culture, the full significance of which is not, in my judgment, properly appreciated nor made use of in dealing with the present day problems of India. The cause of some of India s most acute economic and political problems is to be found in the unique Indo-Aryan mental evolution, which has crystalized into an almost fixed attitude of the Indian social mind, and which supports some of her deep-rooted institutions. These institutions were formed long before foreigners exploited the country, and to the tyranny of these institutions the population still cheerfully submits, almost unconsciously, I maintain, in spite of the new spirit which is doing so much today for the regeneration of the country. What I mean by a fixed attitude of the Indian social...
