Springer. Paperback. Book Condition: New. Paperback. 245 pages. The Report Scenarios on Chronic Non-Specific Lung Diseases 1990--2005 (CNSLD) is the second specialized report of the Chronic Diseases Scenario Project. The report examines the way in which the number of patients, the number and severity of exacerbations and complications, the quality of life and the demand for health care due to CNSLD will develop up to the year 2005. The report begins with a description of the present scale of the problem and developments in the recent past. A summary of experts ideas about the future precedes a description of various kinds of future health scenarios. The report concludes by identifying priority areas for government policy. CNSLD is a growing problem. Key questions accordingly consist of the need for an expansion in health care and health care reforms and the prospects for preventing the disease itself, and its exacerbations and complications. The report is therefore of interest to all parties involved in the care of CNSLD patients. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
