THE VISUAL GUIDE TO THIRD GRADE

Thinking Kids, United States, 2016. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. The Visual Guide to Third Grade uses bold infographics to present fascinating facts about rainbows, health, nutrition, the moon, hydroelectric power, aviation, and more. Infographics allow students to complete creative challenges while building math, writing, and data-collection skills. --When information is presented visually, children are more likely to understand and remember it. The Visual Guide to Third Grade uses infographics to grab young learners attention with an exciting visual learning technique. Infographics simplify complex information by highlighting key ideas and connections with colorful charts, pictures, and graphs. The perfect at-home resource, this cross-curricular workbook provides comprehension questions, writing prompts, and creative challenges to keep your child engaged in the learning process. --Grade-specific and high-interest, the Visual Guide series offers a unique collection of infographics that teach language arts, math, social studies, and science. Your child will grow as a critical thinker; make strides toward learning independently; and improve skills with text, numbers, and data. A way of learning that appeals to today s youth, the Visual Guide series focuses on building the 21st century skills that lead to school success.
