Brand New Book ***** Print on Demand *****.In dealing with the theme of this first story in the Action Annie series of stories from the book of the same name, I wanted to address that perennial question that has perplexed the minds of millions of children ever since Father Christmas became a prime feature of their Christmas Day celebrations. If there is a Father Christmas, and he is a Christmas visitor to the home of every boy and girl across the world to give them a present; then why does he always give the most expensive presents to those children whose parents are the richest and the cheapest presents to those children whose parents are the poorest? Another reason for writing the Action Annie stories was to correct an imbalance which had appeared to have developed between girls and boys; and in particular, the differing stereotypes. When one looked at roles and the type of behaviour that might be expected from a boy, but which was wholly never expected or considered acceptable from a girl; the discrimination practised was more subtle: such as shouting, swearing, fighting, picking one's nose and even making rude noises in public! In short; Action Annie represented girl power in action and was my humble attempt of redressing the perceptual balance. Annie is an imaginative and very active seven-year-old whose mind and body is always on the move. She never seems to stop. Even as she sleeps, she is dreaming about the things she plans to do tomorrow. Annie is always thinking up new ideas and inventing things. Once she gets an idea inside her head, she becomes determined to try it out. If her ideas don...
