BACKBEAT BOOKS, United States, 2016. Hardback. Book Condition: New. 277 x 221 mm. Language: English . Brand New Book. (Book). Freddie Mercury was one of rock's most dazzling front men. When he died in 1991, the music world lost one of its most flamboyant characters, as well as a supremely talented writer and vocalist. Best known as the lead singer of Queen, his amazing four-octave voice was a distinctive element in the band's unique sound, which resulted in more than a dozen million-selling albums through the 1970s, 80s, and early 90s. Freddie Mercury: A Kind of Magic charts his extraordinary career in the context of the life he led in the glare of rock stardom. With expert understanding, Mark Blake traces Freddie's astonishing achievements from his childhood in Zanzibar and India to his world-conquering performance at Live Aid in 1985 and beyond. Published just ahead of what would have been Freddie's 70th birthday, this special book features a retrospective commentary on his studio and live albums, a complete discography, photographs, and memorabilia throughout. Freddie Mercury: A Kind of Magic is an essential tribute to a truly innovative recording artist and an irreplaceable performer who rocked the world.
