Brand New Book ***** Print on Demand *****.Excerpt from The Youth s Liberal Guide: For Their Moral Culture and Religious Enlightenment Every attentive observer of the tendency which the culture of our Age follows, must have noticed that the old religious ideas are in conflict with the new. While natural science, philosophy, and, in general, civilization in every branch of life advance, the denominations of the Church are still constantly uttering the old watchword: Cling to the orthodox faith! In every province of human knowledge the use of reason is permitted, except in the domain of religion. In the Old World an ecclesiastical council decrees the infallibility of the Pope; in the New, the churchmen try to fetter liberty of conscience by introducing the Bible into the public schools, and building on its authority the Constitution of our country. That is not the way to advance. Let us strike at the root of the evil; let us give to youth a liberal education! In this rests the hope of our country, the future of humanity. Five years ago the author published a Text Book for the Sunday Schools of the German Free Religious Congregations in America (Leitfaden fur den Unterricht in den Sonntagsschulen Freier Gemeindenj Milwaukee, Wis.). It was authorized by their Supreme Board, and has been since in general use in most of those schools. This work having subserved so valuable a purpose in the liberal education of the German youth, the author was encouraged to attempt the publication of an English edition. It is a liberal guide for the moral education and mental enlightenment of children. It aims at the destruction of erroneous theological views, and is adapted to the...
