Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DANCING WITH THE UNCONSCIOUS: THE ART OF PSYCHOANALYSIS AND THE PSYCHOANALYSIS OF ART (PSYCHOANALYSIS IN A NEW KEY BOOK SERIES)

Routledge, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Danielle Knafo's *Dancing With the Unconscious: The Art of Psychoanalysis and the Psychoanalysis of Art* is a valuable addition to the growing literature on psychoanalysis and art and creativity. Traversing a wide and rich terrain, from transformation of trauma through art, to the creative dimensions of psychoanalysis, to dreams of geniuses (Freud and Jung), Knafo, a psychoanalyst, author and professor of clinical psychology, has written a lucid, compelling, and enlightening book that increases our understanding of creativity and the art of psychoanalysis. -Jeffery B. Rubin, *PsycCritiques* "Danielle Knafo has written a compelling and enlightening book, a testimony to the depths of the creative spirit. Explorations span psychoanalysis, art, literature, and dance, with special emphasis on what art can contribute to understanding psychoanalysis as well as the reverse. Processes that go into art-making also go into psychoanalysis. She brings out dimensions of the creative unconscious that add to our appreciation of being alive." - Michael Eigen, author of *Contact with the Depths* and *Faith and Transformation* "Over the past 100 years, psychoanalysis has fundamentally altered our understanding of art. Danielle Knafo's new book is proof that psychoanalysis continues to be a vital means to investigate the psychology of creativity and art appreciation. In addition, she uses her analysis of art to shed light on clinical processes, revealing the commonalities between treatment, psychological healing, and creativity. In lucid, beautifully constructed prose, she reinvigorates psychoanalytic aesthetics, reasserting the primary function of art in human psychological life." - George Hagman, author of *The Artist's Mind* "Danielle Knafo consolidates her extensive knowledge of art, artists, and creativity to invite the reader into a deeper understanding of psychoanalysis as a creative endeavor. Wedding an evocative and lyrical prose style with...
