Mountain Media, Pahrump, Nevada, 2015. Hardcover. Book Condition: New. Dust Jacket Condition: New. Cover art by Boris Vallejo / Orb photos by The Brunette / Jacket and orb photo section design by Carl "Bear" Bussjaeger (illustrator). 1st Edition. 8vo - over 7¾ - 9¾" tall. A new, unread copy of Vin's latest novel, released Dec. 11, 2015, signed by the author. This is a hand-numbered copy, one of a limited edition of 650. What if Rhode Island horror writer H.P. Lovecraft didn't just imagine the "resonator" in his 1920 short story "From Beyond"? What if Henry Annesley actually built the machine that allowed him to see into the Sixth Dimension -- and allowed creatures from The Other Side to come here? Facing Draconian prison sentences, their Cthulhian Church banned by the federal drug warriors for employing holy sacraments that actually work, Windsor and Worthington Annesley turn to a desperate search for their great-uncle's resonator, hoping it may be the game-changer they need. From the author of "The Testament of James" comes another adventure in the case files of Matthew Hunter and Chantal Stevens, complete with rampaging tyrannosaurs, naked jungle girls, man-eating spiders, and some seriously heavy drugs . . . "The Miskatonic Manuscript." It ain't your grandpa's used book store. A novel about the War on Drugs . . . among other things. Totals 323 pp. including notes and bibliography. Signed by Author(s).
