Breach of Trust

By David Ellis

Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, Breach of Trust, David Ellis, 'The man with whom I was dining was a killer. And he was now feeling at ease, courtesy of a fake interview with a federal prosecutor, in which my fake legal memorandum, used to perpetrate a fraud, was being used to exonerate the two of us. I didn't know whom I could trust.' Trust no one. Jason Kolarich is investigating the murder of Ernesto Ramirez, a key witness in a criminal case that he tried. Jason had been pushing him for information, but all he got was the guy's death on his conscience. Who murdered Ramirez, and why? When the evidence leads to an obscure agency in state government, Jason is hood-winked into being a federal informant. The feds are desperate to build their case against the government, but Jason's got his own agenda. Will he be an asset to their case, or will he prove to be a live wire? In this riveting thriller Ellis relies on his experience and expertise to deliver a gritty tale of political corruption and murder at the highest levels of government.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
