SOUL SOLD SIGNS: OF THE SOUTH

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Strewn along the interstates, blue highways, and back roads-all across the South, there are Churches. They come in all shapes, sizes and denominations. Hand-lettered signs, planted by the roadside, either quoting Scripture, or containing cleverly worded sayings, all designed to be attention grabbing, thought provoking and memorable. All for the purpose of providing a mini-sermon to everyone who passes by. Sadly, the authors discovered in preparing this book that these familiar parts of Americana are quickly fading from view. These hand-lettered signs are being replaced by electronic digital signs, some of which are pictured here. These fancy new signs deliver the same messages, but will never deliver the same soul. Bucky Jones and Eloise Veal are photographers and writers who live in the beautiful Blue Ridge Mountains just outside the quaint, small town of Brevard, NC. With so much of the world changing at techno speed, they have decided to devote their work to, and to preserve, as much Americana as possible. This book, as well as others, already in the planning stages, is about holding on to the things that are good about America, whether religious, spiritual or secular. Coffee Table books that will serve to inform, possibly transform, and at least bring a smile to the faces of tomorrow's generation - - who will hopefully take a few minutes to put down the latest and greatest smartphone, pick up a book like this, and...
